Thursday, August 18, 2022

APPROVAL OF THE 2023-25 UNIVERSITY OF WISCONSIN BIENNIAL OPERATING BUDGET AND FINANCIAL AID REQUEST

REQUESTED ACTION

Adoption of Resolution 10., approval of the UW System's 2023-25 biennial budget and financial aid requests.

This resolution will be considered by the Business and Finance Committee on Thursday, August 18, 2022.

- **Resolution 10.** That, upon the recommendation of the President of the University of Wisconsin System, the Board of Regents approves the submission of:
 - (1) the Board's 2023-25 Biennial Operating Budget request, totaling \$262,588,900 biennially in GPR for key initiatives;
 - (2) the Wisconsin Grant-UW request to the Higher Educational Aids Board for inclusion in its 2023-25 biennial budget request totaling\$24,500,000 biennially;
 - (3) a technical request that adjusts the general program operations appropriation and positions to the UW System's 2022-23 annual operating budget level for academic student fees;
 - (4) statutorily-required performance measures for 2023-25.

In addition, the Board of Regents delegates authority to the UW System President to approve and submit a 0% and 5% biennial budget reduction plan, as required by 2015 WI Act 201 and standard budget adjustments for items such as fringe benefits should it be determined they are necessary.

SUMMARY

The UW System Board of Regents is required to submit a budget request to the Department of Administration (DOA) by September 15 of each even numbered year. The UW System President provides the Regents, for their consideration, a recommended submission at the August meeting in the same even numbered year.

The UW System's 2023-25 biennial budget request includes General Purpose Revenue (GPR) increases for the Wisconsin Tuition Promise excluding UW-Madison, a 4% increase in general operation funding and a 4% pay plan in each year totaling \$262.6 million biennially. The budget also includes forwarding a request to the State's Higher Educational Aids Board (HEAB) requesting:

- The \$3,150 maximum be deleted from statute for the Wisconsin Grant-UW System. If the statutory cap is deleted, the maximum grant award would not exceed 50 percent of the average tuition and fees at the UW System comprehensive institutions (approximately \$3,800).
- \$24.5 million biennially to award the higher maximum grant level at \$3,800 and for the increased amount of eligible students due to change from the Estimated Family Contribution (EFC) calculation to the Student Aid Index (SAI) in 2024-25.

Additionally, the budget includes a technical request to increase the general program operations appropriation to the UW System's 2022-23 budgeted levels for academic student fees, state required performance measures and budget reduction exercise.

Summary and Background	1.
Operational Budget Request	5.
Wisconsin Grant Request to the Higher Educational Aids Board	7.
Standard Budget Adjustments and Technical Requests	8.
Performance Measures	9.
Base Reduction Plans	14.

SUMMARY AND BACKGROUND

The UW System Board of Regents is required to submit a budget request to the Department of Administration (DOA) by September 15 of each even numbered year. The UW System President provides the Regents, for their consideration, a recommended submission at the August meeting in the same even numbered year.

The UW System's 2023-25 biennial budget request includes General Purpose Revenue (GPR) increases for the Wisconsin Tuition Promise excluding UW-Madison, a 4% increase in general operation funding, and a 4% pay plan in each year totaling \$262.6 million biennially.

The budget also includes forwarding a request to the State's Higher Educational Aids Board (HEAB) requesting:

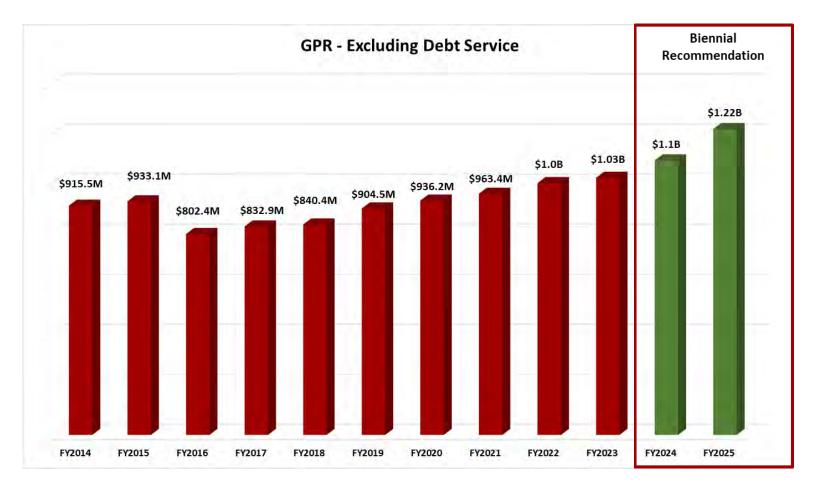

- The \$3,150 maximum be deleted from statute for the Wisconsin Grant-UW. If the statutory cap is deleted, the maximum grant award would not exceed 50 percent of the average tuition and fees at the UW System comprehensive institutions (approximately \$3,800).
- \$24.5 million biennially to award the higher maximum grant and for the increased amount of eligible students due to change from the Estimated Family Contribution (EFC) calculation to the Student Aid Index (SAI) in 2024-25.

Additionally, the budget includes a technical request to increase the general program operations appropriation to the UW System's 2022-23 budgeted levels for academic student fees, state required performance measures and budget reduction exercise.

Request	2023-24	2024-25 Over 2023-24	Ongoing Increase	Biennial Increase
Tuition Promise	- \$24.5M		\$24.5M	\$24.5M
General Operations	\$38.3M	\$38.3M	\$76.6M	\$115.0M
Pay Plan	\$30.3M \$62.5M		\$92.8M	\$123.1M
UW Request	JW Request \$68.6M \$12		\$193.9M	\$262.6M
WI-Grant (HEAB)	WI-Grant (HEAB) \$11.0M		\$13.5M	\$24.5M
UW Request Incl. WI Grant	\$79.6M	\$127.8M	\$207.4M	\$287.1M

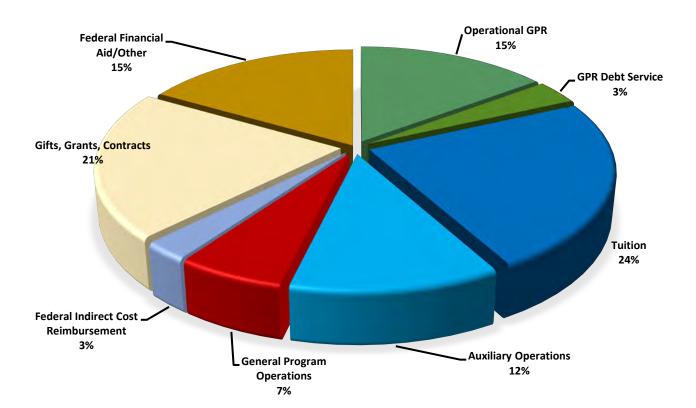

A summary of the request is below:

The table below summarizes general purpose revenue amounts for the past ten years along with the proposed biennial budget recommendation.

2015-2025 GPR Funding

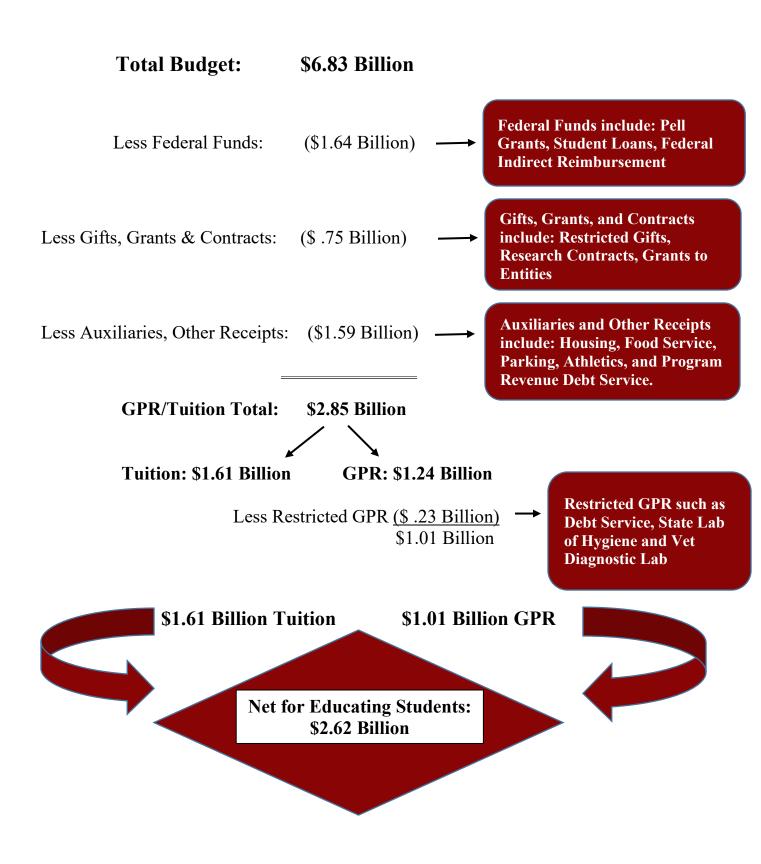

The chart and table below detail the 2022-23 all funds annual expenditure budget of \$6.83 billion, the chart shows revenue source as a percent of the total budget while the table details the dollar amount attributable to each fund group. The chart on the following page further distills this data down to show the net funding available for educating students in the 2022-23 annual budget.

	2022-23
	Expenditure
Fund Source	Budget
Operational GPR (Ongoing)	1,027,075,448
GPR Debt Service	211,391,800
GPR Total	1,238,467,248
Tuition	1,616,973,853
GPR/Tuition Total	2,855,441,101
Auxiliary Operations	827,084,710
General Program Operations	496,689,574
Federal Indirect Cost Reimbursement	210,793,131
Gifts, Grants, and Contracts	1,436,064,785
Federal Financial Aid/Other	1,006,665,634
Total Ongoing Base Budget	6,832,738,934

UNIVERSITY OF WISCONSIN SYSTEM

2022-23 Ongoing Annual Base Budget

Wisconsin Tuition Promise Funding Request

Fiscal Year	2023-24	2024-25	Ongoing Increase	Biennial Increase
FY2024	-	-	-	-
FY2025	-	\$24.5M	\$24.5M	\$24.5M

GPR Increase over Biennium = \$24.5M

The Tuition Promise would expand UW-Madison's Bucky's Promise initiative to all campuses in the UW System. The program – eligible to both freshman and transfer students – would provide free tuition and segregated fees for those with an adjusted household gross income (AGI) of \$62,000 or less. The program is a "last dollar" financial aid program, in which Tuition Promise dollars would be applied after all other scholarships and grants have been exhausted. Freshman would be eligible for 4 years and transfer students would be eligible for 2 years.

This program will begin in the 2023-24 academic year with UW System providing approximately \$13.8M in one-time funding to cover the first year of the program. The total estimated cost for a 4-year cohort is \$35.6M providing aid to approximately 8,000 students.

Fiscal Year	2023-24	2024-25	Ongoing Increase	Biennial Increase
FY2024	\$38.3M	-	\$38.3M	\$76.6M
FY2025	-	\$38.3M	\$38.3M	\$38.3M

GPR Increase over Biennium = \$114.9M

This request would provide a 4% increase in 2023-24 and a 4% increase in 2024-25 in support of a general operating budget increase for the UW System. This base budget increase request acknowledges the inflationary costs of goods and services, backfills the aggregate \$48.5M financial exposure for the campus share of Pay Plan from FY17 to FY22, and provides ongoing funding to support key initiatives at the UW institutions including Dual Enrollment, Equity Diversity and Inclusion (EDI) efforts, Title IX/Compliance, Sustainability, and Student Support (including mental health services). The additional investment will also help meet market compensation demands to recruit and retain critical faculty and other staff positions in information technology, facilities, behavioral health, academic advising, and other student success roles.

Pay Plan Funding Request

Fiscal Year	2023-24	2024-25	Ongoing Increase	Biennial Increase
FY2024	\$30.3M	\$30.9M	\$61.2M	\$91.5M
FY2025	-	\$31.6M	\$31.6M	\$31.6M

GPR Increase over Biennium = \$123.1M

This request would provide a 4% increase in January of 2024 and an additional 4% increase in January of 2025 for the UW System's faculty, academic staff, university staff, and limited appointments.

While the state provided a 4% pay plan in Fiscal Year (FY) 2019 and 2% pay plans annually through FY23, the UW System continues to lag behind their peers and the market, resulting in labor market challenges in recruiting and retaining staff.

Wisconsin Grant Funding Request Referred to HEAB

Fiscal Year	2023-24	2024-25	Ongoing Increase	Biennial Increase
FY2024	\$11.0M	-	\$11.0M	\$22.0M
FY2025	- \$2.5M		\$2.5M	\$2.5M

GPR Increase over Biennium = \$24.5 M

State funding for the Wisconsin Grant-UW program is \$61,894,100 annually. The UW System seeks funding for two initiatives related to this grant program:

- Change statutory language and provide additional funding of \$22,000,000 over the 2023-25 biennium to allow for a higher maximum award amount, and
- Provide ongoing funding of \$2,500,000 to recognize new federal legislation that will result in more students being eligible for the Wisconsin Grant in the future

The UW System has been unable to increase award amounts to individual recipients due to current statutory restraints limiting a student's annual maximum grant to \$3,150. The \$3,150 maximum does not meet the historic intent of the UW System to cover half of tuition with the Wisconsin Grant for students with the most financial need. Therefore, we request that the \$3,150 cap be deleted in statute and replaced with language stating the maximum award cannot exceed 50 percent of the total tuition and fees at the UW System comprehensive institutions, equivalent to a maximum award cap of approximately \$3,800.

Should the statutory cap be lifted, the UW System requests \$11,000,000 ongoing in 2023-24, for a biennial total of \$22,000,000, to meet the higher grant award.

The FAFSA Simplification Act, as part of the federal Consolidated Appropriations Act, 2021, changes the Expected Family Contribution (EFC) generated on the Free Application for Federal Student Aid (FAFSA) to a Student Aid Index (SAI) starting in award year 2024-25. These future changes will result in increases in Wisconsin Grant eligibility. To fill this gap and provide funding for all currently eligible students, the UW System requests \$2,500,000 ongoing funding in 2024-25.

2023-25 Standard Budget Adjustments and Technical Requests

Standard Budget Adjustments are changes in funding related to the current biennium which allow for continued base level services into the upcoming biennium and are determined in consultation with the Department of Administration (DOA).

- A fringe benefit request may be required but cannot be calculated until the UW Budget Base and fringe benefit rates are established in collaboration with DOA.
- A request for increasing lease rental payments may be necessary but those figures continue to be estimated.
- The 2023-25 biennial budget request will include a technical adjustment that will bring the level of funding for academic student fees in the general program operations appropriation to the 2022-23 annual budgeted level.
- The State Laboratory of Hygiene and Veterinary Diagnostics Lab biennial budget requests are approved by their respective Boards and will be included in the UW System biennial budget request.

The figures for calculating the standard budget adjustments are not currently available, therefore the UW System Board of Regents are asked to delegate the authority to approve these requests to the UW System President.

2023-25 Performance Measures

State budget instructions require all agencies to report on the performance measures identified for previous biennial budgets. The instructions say that the measures should relate to the agency's Chapter 20 programs. The UW System reported on four measures in 2021-23 and will continue to report on those measures this biennium.

The four measures for which the UW System will report are:

- 1. Undergraduate Degrees (Conferred)
- 2. Participation Rate the percentage of Wisconsin high school graduates who enroll immediately after graduation
- 3. Retention Rate the rate at which new freshmen return to the same institution for the second year of study
- 4. Graduation Rate rate at which new freshmen earn a bachelor's degree at the same institution within six years.

DOA Required 2023-25 Biennial Budget Performance Measures for the University of Wisconsin System

Measure 1: Undergraduate Degrees

Goal: Meet or exceed current plans to increase undergraduate degrees conferred (Associate and Bachelor's).

Year	Prior Plan*	Current Plan**	Actual
2005-06			24,103
2006-07			25,096
2007-08			25,465
2008-09			25,992
2009-10	26,317		26,297
2010-11	26,910		27,087
2011-12	27,254		28,189
2012-13	27,723		28,789
2013-14	28,041		28,971
2014-15	28,723		29,375
2015-16	29,339	28,976	29,192
2016-17	30,040	28,498	29,140
2017-18	30,636	28,424	29,181
2018-19	31,112	28,093	28,766
2019-20		28,258	29,687
2020-21		28,258	28,458
2021-22		28,258	
2022-23		28,258	
2023-24		28,258	

Progress: Undergraduate degrees are currently at an all-time high and are expected to decline slightly due to declining freshmen and/or transfer enrollments, changing composition of student body, and difficulty sustaining or improving as a result of budget reductions. Undergraduate degrees is a performance measure identified in accordance with Act 55.

Although this performance measure focuses on undergraduate degrees, graduate education remains an important part of the UW System's mission.

*The prior plan was the University of Wisconsin System's More Graduates initiative, which was developed in 2009-10 with the expectation that a combination of new and existing resources would support an increase in the number of undergraduate degrees.

**The current plan reflects projections developed by institutions in spring 2016 following the identification of this measure in accordance with Act 55. The plans largely depend on the impact of existing services on currently enrolled students.

Measure 2: Participation Rate

Goal: Provide access by enrolling at least 32 percent of Wisconsin high school graduates immediately after graduation.

Graduation	Plan	Actual
2005	32.0%	32.6%
2006	32.0%	32.5%
2007	32.0%	33.1%
2008	32.0%	32.4%
2009	32.0%	31.9%
2010	32.0%	31.7%
2011	32.0%	31.9%
2012	32.0%	31.5%
2013	32.0%	32.1%
2014	32.0%	31.5%
2015	32.0%	31.7%
2016	32.0%	31.4%
2017	32.0%	31.8%
2018	32.0%	29.3%
2019	32.0%	28.6%
2020	32.0%	27.2%
2021	32.0%	27.1%
2022	32.0%	
2023	32.0%	

Progress: The University of Wisconsin System is committed to serving the residents of the State of Wisconsin, not only through the enrollment of high school graduates but also through the enrollment of transfer students and nontraditional-aged students.

Measure 3: Retention Rate

Goal: Meet or exceed current plans to increase the rate at which new freshmen return to the same institution for the second year of study.

Year (Entering Class)	Prior Plan*	Actual
2006-07 (Fall 2005)		79.2%
2007-08 (Fall 2006)		79.2%
2008-09 (Fall 2007)		79.3%
2009-10 (Fall 2008)		80.2%
2010-11 (Fall 2009)	79.5%	80.8%
2011-12 (Fall 2010)	80.4%	79.6%
2012-13 (Fall 2011)	80.5%	80.2%
2013-14 (Fall 2012)	80.9%	80.7%
2014-15 (Fall 2013)	81.3%	82.1%
2015-16 (Fall 2014)	81.8%	81.6%
2016-17 (Fall 2015)	82.0%	81.7%
2017-18 (Fall 2016)	82.2%	81.4%
2018-19 (Fall 2017)	82.5%	81.8%
2019-20 (Fall 2018)	82.7%	82.1%
2020-21 (Fall 2019)	82.7%	82.7%
2021-22 (Fall 2020)	82.7%	80.9%
2021-22 (Fall 2021)	82.7%	
2022-23 (Fall 2022)	82.7%	

Progress: A student's persistence to the second year of study is an important, early indication of accomplishing the long-term graduation objective. The University of Wisconsin System is committed to providing students with the opportunity to successfully persist to the second year and beyond to graduation.

*The prior plan was the University of Wisconsin System's More Graduates initiative, which was developed in 2009-10 with the expectation that a combination of new and existing resources would support an increase in retention rates. Although the retention rate is not one of the performance measures identified in accordance with Act 55, institutions will continue to seek improvements as a way of increasing graduation rates and the number of undergraduate degrees.

Measure 4: Graduation Rate

Goal: Meet or exceed current plans to increase the rate at which new freshmen earn a bachelor's degree at the same institution within six years.

		Current	
Year* (Entering Class)	Prior Plan**	Plan***	Actual
2006-07 (Fall 2000)			58.0%
2007-08 (Fall 2001)			58.7%
2008-09 (Fall 2002)			59.3%
2009-10 (Fall 2003)			59.7%
2010-11 (Fall 2004)	59.4%		60.4%
2011-12 (Fall 2005)	59.8%		59.3%
2012-13 (Fall 2006)	59.9%		59.6%
2013-14 (Fall 2007)	60.4%		59.3%
2014-15 (Fall 2008)	60.8%		60.7%
2015-16 (Fall 2009)	61.0%		60.7%
2016-17 (Fall 2010)	61.3%	61.2%	60.9%
2017-18 (Fall 2011)	61.7%	61.9%	62.5%
2018-19 (Fall 2012)	62.1%	62.9%	63.6%
2019-20 (Fall 2013)	62.4%	63.4%	65.4%
2020-21 (Fall 2014)		63.6%	65.1%
2021-22 (Fall 2015)		63.6%	65.8%
2022-23 (Fall 2015)		63.6%	
2023-24 (Fall 2016)		63.6%	

*Year denotes the reporting year not the academic year the degree was completed.

Progress: Six-year graduation rates are at an all-time high and are projected to increase. The graduation rate is a performance measure identified in accordance with Act 55.

**The prior plan was the University of Wisconsin System's More Graduates initiative, which was developed in 2009-10.

***The current plan reflects projections developed by institutions in spring 2016 following the identification of this measure in accordance with Act 55. The plans largely depend on the impact of existing services on currently enrolled students.

2023-25 Budget Reduction Plans

Act 201 Reduction Plans

2015 Wisconsin Act 201 requires each agency to submit two biennial budget requests along with their biennial budget submission

- A flat base level budget (no new initiatives) with the exception of standard budget adjustments. There is no special planning required to submit this version.
- A proposal to reduce the agency's state operations budget for each fiscal year by an amount equal to a total of 5% of the base level funding as agreed to by the secretary of the Department of Administration.

Not all the information needed for calculating these reports is currently available. Therefore, the UW System Board of Regents is asked to delegate the authority to approve these items to the UW System President. Examples of these reports are included on the following pages. ACT 201

Proposal under s. 16.42(4)(b)2.: 0% change in each fiscal year

FY: FY22 and 23

Agency: UW - 285

Exclusions: Federal

Debt Service

Columns A-G were prepopulated for agencies to reflect state operations adjusted base and reductions agreed to by DOA and LFB. See Appendix H for instructions on how to complete these templates.

Proposed \$ and Proposed FTE columns reflect total agency proposed spending and positions for indicated fiscal year. These amounts should include standard budget adjustments (SBAs), any proposed reallocations or reductions to meet the target, and any other requests that the agency would want considered under this proposal.

Appropriations with zero dollars and zero FTEs are not loaded into the template. If you have any questions, contact your SBO analyst.

IF YOUR AGENCY PLANS TO TAKE THE SAME CUTS OVER BOTH YEARS, YOU SHOULD ONLY FILL OUT ONE GRID FOR 0% GROWTH AND ONE GRID FOR 5% REDUCTION, THEN CHANGE FY22 TO FY22 AND 23.

Items - Describe proposed changes (excl. SBAs) to reach target or other priorities of agency

1 Limit the ability to move forward with key priorities

2 Limit the ability to be responsive to the needs of students and staff

3 Reallocate to be responsive to changing programming needs

4 Limit gift and non-federal grant expenditures

5 Limit the amount reimbursed by the hospital authority

0

ACT 201

Proposal under s. 16.42(4)(b)1.: 5% change in each fiscal year

FY: FY22 and 23

Agency: UW - 285

Exclusions: Federal

Debt Service

Columns A-G were prepopulated for agencies to reflect state operations adjusted base and reductions agreed to by DOA and LFB. See Appendix H for instructions on how to complete these templates.

Proposed \$ and Proposed FTE columns reflect total agency proposed spending and positions for indicated fiscal year. These amounts should include standard budget adjustments (SBAs), any proposed reallocations or reductions to meet the target, and any other requests that the agency would want considered under this proposal.

Appropriations with zero dollars and zero FTEs are not loaded into the template. If you have any questions, contact your SBO analyst.

IF YOUR AGENCY PLANS TO TAKE THE SAME CUTS OVER BOTH YEARS, YOU SHOULD ONLY FILL OUT ONE GRID FOR 0% GROWTH AND ONE GRID FOR 5% REDUCTION, THEN CHANGE FY22 TO FY22 AND 23.

2023-25 UW SYSTEM BIENNAL CAPITAL BUDGET REQUEST

REQUESTED ACTION

Adoption of Resolution 11., approval of the UW System's 2023-25 biennial capital budget request.

This resolution will be considered by the Capital Planning and Budget Committee on Thursday, August 18, 2022.

Resolution 11.That, upon the recommendation of the President of the University of
Wisconsin System, the Board of Regents approves the 2023-25 Capital
Budget request and that it be submitted to the Department of
Administration and the State Building Commission.

The proposed 2023-25 Capital Budget Request of \$2,473,399,000 (\$1,601,339,000 General Fund Supported Borrowing; \$227,954,000 Program Revenue Supported Borrowing; \$140,700,000 EX-Program Revenue Supported Borrowing; \$237,242,000 Cash; \$208,750,000 Gifts; and \$57,414,000 Building Trust Funds) includes the following:

- 1. Four categorical enumerations of \$500,344,000 for capital projects programs including (a) \$200,000,000 General Fund Supported Borrowing for the All Agency Projects Program; (b) \$48,855,000 General Fund Supported Borrowing for the Instructional Space Projects Program; (c) \$94,547,000 (\$68,160,000 General Fund Supported Borrowing; \$15,617,000 Program Revenue Supported Borrowing and \$10,770,000 Cash) for the Minor Facilities Renewal Projects Program; and (d) \$156,942,000 (\$110,447,000 General Fund Supported Borrowing; \$40,851,000 Program Revenue Supported Borrowing and \$5,644,000 Cash) for the System-Wide Utility Program.
- Sixteen individual project enumerations of \$1,941,966,000 (\$1,173,877,000 General Fund Supported Borrowing; \$171,486,000 Program Revenue Supported Borrowing; \$140,700,000 EX- Program Revenue Supported Borrowing;

\$217,191,000 Cash; \$208,750,000 Gifts; and \$29,962,000 Building Trust Funds).

- 3. Six individual planning and design funding enumerations of \$31,089,000 (\$3,637,000 Cash and \$27,452,000 Building Trust Funds).
- 4. Authorization for the UW System President or designee to adjust individual project budgets as necessary in the development of the final 2023-25 Capital Budget recommendation with the Department of Administration.

Be it further resolved that the Board of Regents recommends that the University of Wisconsin System 2023-29 Six-Year Capital Plan be submitted to the Department of Administration in accordance with Wis. Stats. § 13.48(1), related to the long-range public building program.

SUMMARY

The 2023-25 Capital Budget recommendations are designed to promote stewardship of existing assets by addressing deferred maintenance, removing obsolete and aging facilities, maintaining affordable, high-quality education for our students, and advancing Wisconsin's workforce needs. Key strategic elements of the recommendations are:

- **Repairing Aging Facilities:** Top-priority programs are those designed to renovate and repair aging facilities and infrastructure to reduce deferred maintenance backlogs. \$451 million is requested to focus on work inside existing facilities to address high-priority needs and improve facilities that continue to be used for the foreseeable future.
- **Modernizing Learning Environments:** The proposed capital budget emphasizes upgrading and modernizing high-impact learning environments at a projected cost of \$49 million.
- Eliminating Obsolete Facilities: \$1.284 billion is requested to construct new facilities to replace existing ones that cannot be renovated cost-effectively and to meet academic or program needs. We continue to focus on demolishing obsolete, operationally demanding, and nonflexible facilities to reduce deferred maintenance.
- **Expanding STEM and Health Sciences Education:** Requests for state funding focus on providing modern, up-to-date facilities that support workforce needs, attract and retain Wisconsin students, and expand STEM and health sciences education.

• **Promoting Improved Planning:** Complex projects identified for the 2023-25 biennium are recommended for planning and design enumeration. This will enable UW campuses to work with designers to prepare these projects for construction in the next biennium.

The documents following this summary constitute the 2023-25 Capital Budget request. The recommendation prioritizes institutional requests regardless of fund source for 2023-25 and provides a planning framework for 2025-27 and 2027-29. Together, these projects constitute the UW System Six-Year Capital Plan. Project budgets and schedules have been adjusted to reflect Department of Administration guidelines for representative project timelines and to align with *Engineering News Record's* inflation projections. There are no projects solely funded by gifts and grants included in the proposed capital plan.

Presenter

• Regent Rai, Chair of the Capital Planning and Budget Committee

BACKGROUND

Biennially, each state agency is required to submit a capital budget request within the context of a long-range plan to the Department of Administration. The UW System process for developing the Capital Budget recommendation is based on standard higher education planning models. Each biennium, UW institutions and UW System Administration (UWSA) engage in long-range planning that involves the following steps:

Issue identification:

- Advancing programmatic priorities and emerging pedagogical adaptations.
- Assessing building conditions.
- Analyzing space utilization (qualitative and quantitative).

Evaluation:

- Identifying alternatives to problems.
- Prioritizing space and programmatic needs.

Plan Development:

- Institutions develop long-range space and program plans submitted to UWSA.
- UWSA evaluates and prioritizes institutional plans based on a Board of Regentsapproved evaluation tool.
- UWSA develops a systemwide long-range plan for three consecutive biennia.
- The Board of Regents approves a biennial budget request based on long-range plan recommendations.

State Planning and Funding:

- The Department of Administration, Division of Facilities Development and Management receives budget requests from all state agencies and makes a single recommendation to the State of Wisconsin Building Commission.
- The Building Commission makes a recommendation to the Legislature through the biennial budget process.

The budget development process includes personnel from every UW institution including chancellors, provosts, chief business officers, student affairs leaders, physical plant directors, and campus planners. The process is guided by both budget development guidelines issued by the Department of Administration and project ranking criteria approved by the Board of Regents.
